JUNIOR WOMEN IN ENGINEERING

Michigan Tech Summer Youth Programs

JUNIOR WOMEN IN ENGINEERING WILL BE HELD ON THE CAMPUS OF MICHIGAN TECHNOLOGICAL UNIVERSITY JULY 23-29, 2017.

THIS IS YOUR OPPORTUNITY TO LEARN MORE ABOUT FIELDS OF ENGINEERING AND EXPERIENCE UNIVERSITY LIFE.

PROGRAM INFORMATION

This middle school program is an investigation of engineering careers in mechanical, computer, environmental, electrical, chemical, biomedical, civil, geological, materials, and related disciplines.

- Discover whether metal has a memory.
- Hear from female role models working in engineering fields.
- Work in teams to complete engineering projects.
- Design and build bridges, gliders, and prosthetic legs.
- Learn how to purify water.
- Experience college life—stay in a residence hall, explore campus, and meet other young women with similar backgrounds and interests.
- Enjoy team competitions, a variety show, and outdoor activities.

Arrangements can be made for you to speak with faculty from disciplines or areas of special interest, as well as admissions and financial aid staff. If this interests you, please let SYP staff know.

HOW TO APPLY

The application deadline is Monday, April 10, 2017. Late applications may be considered if additional scholarships become available. You can also apply online or download additional applications at syp.mtu.edu. Send in your completed **application**, including a **teacher recommendation**, the required **short responses to questions**, and a copy of your **unofficial school transcript**.

COST

The nonrefundable registration fee of \$295 is due within 10 days of being accepted into the program. **Do not send in your payment with your application.** If accepted, we must receive your registration fee to complete your enrollment and guarantee your spot. All selected participants receive a scholarship valued at more than \$1,000, which covers all tuition, classroom supplies, and room and board.

TRANSPORTATION

You are responsible for your own transportation. Travel accommodations and charter bus information are included in the information you will receive once you are accepted.

SELECTION CRITERIA

Students must have completed grade 6, 7, or 8 as of June 2017 to be eligible. Participants are selected on a competitive basis. It's helpful to have a strong background in math and science and an interest in technological studies. The selection committee also reviews involvement in extracurricular activities and outside interests or responsibilities, short responses to questions, teacher recommendations, and school transcripts. Neatness, accuracy, and following directions will also be considered. The selection committee meets one week after the deadlines to review applications.
