PLEASE TYPE OR PRINT YOUR SHORT RESPONSES TO THE FOLLOWING QUESTIONS ON A SEPARATE PIECE OF PAPER.

Be sure to put your full name at the top of the page and that you are applying for Women in Engineering.

1. List the courses you are currently taking and the courses you plan to take next year in high school or college.

2. Describe your goals for the next five years and the next ten years.

3. List any extracurricular activities, hobbies, or community organizations with which you are involved.

4. Write a brief statement (150 words or more) discussing why you would like to attend this program and what you would like to gain from this experience.
TEACHER RECOMMENDATION LETTER

Women in Engineering is a highly competitive scholarship program that offers participants the chance to explore many fields of engineering. Students should be recommended to attend if you believe they have the aptitude to engage in technological studies and would benefit from this experience.

Have your high school science or math teacher write you a letter of recommendation; include it with this application.

SCHOOL TRANSCRIPT

Enclose your most recent transcript of your high school course work through the first semester of this year. If your school uses a grading system other than the 4.0 scale, send an explanation of the method with the transcript.
